

REMARKS

This is a Divisional case, filed under 37 C.F.R. 1.153(b) and claiming priority to USSN 09/934,868, filed August 22, 2001, now pending, which claims the benefit of U.S. Provisional Application No. 60/229,858 filed September 1, 2000.

Claims 1-36 are in the case. Claims 1-22, and 27 have been canceled.

The Claims have been amended to more clearly define Applicants' invention.

The specification has been amended to correct obvious typographical errors.

There is no change in inventorship from that originally filed with the priority case.

An Information Disclosure Statement is provided herewith citing all references cited during the prosecution of the parent application, as well as references previously submitted by Applicants. Copies of these references have been previously provided.

It is respectfully requested that the amendments above be entered before examination of the application. Upon entry of this amendment, the claims pending in this application are Claims 24-26 and 28-36

Should there be any fee due in connection with the filing of this Preliminary Amendment, please charge such fee to Deposit Account No. 04-1928 (E. I. du Pont de Nemours and Company).

In view of the foregoing, allowance of the above-referenced application is respectfully requested.

Respectfully submitted,

S. NEIL FELTHAM
